

Collaborative research at the Huntsman Marine lab!

Huntsman Visiting Fellowships

APPLICATIONS ARE INVITED FOR VISITING FELLOWSHIPS AT THE HUNTSMAN MARINE SCIENCE CENTRE.

The goal of this program is to bring scientists to St. Andrews to take advantage of collaborative research opportunities in the local community.> Awarded funds must be spent at the Huntsman Marine Science Centre.> Applications should include a CV, brief outline of proposed research (including names of local collaborators) and budget. The maximum cash award will be \$3,000, but may be increased through reductions in billable on-site expenses.

For more information, or to apply, contact the vice-chair of the > research committee, Dr. Tillmann Benfey, c/o the Huntsman at huntsman@huntsmanmarine.ca
